

# HAYWOOD BUILDERS

A TOP QUALITY, FRIENDLY  
AND EXPERT SERVICE

To whom it may concern

Dear Sirs,

I have dealt with both Ian and Richard for the last 6 years. They have done work both at my existing home, my previous home and at my company premises in Kingswinford.

The work has involved brick laying, fencing, slab laying, roof repairs, office extensions, fitted kitchen etc.

I am not prepared to use anyone else for future work, as they have not given me any cause for concern.

I am also quite willing for people to come and view the work they have previously done, so please contact me accordingly.

The only downside is that they support Man Utd and Aston Villa respectively!

Sincerely Yours,

Paul Graham
