A TOP QUALITY, FRIENDLY  
AND EXPERT SERVICE

## Re: Haywood Builders

We have recently had substantial alterations to our home completed by Haywood Builders. The work involved moving a cloakroom, turning stairs around, creating an en-suite bathroom and walk-in wardrobe. In addition the house bathroom was completely refurbished.

We are extremely pleased with the standard and quality of work, the way in which it was carried out and the attention to detail at all times. We were fully consulted throughout and felt the team worked really hard to keep disruption to a minimum. Work commenced on the promised date and was completed on schedule, within budget.

We would be happy to recommend the company and look forward to working with them again.
